## PERSONAL STATEMENT

A goal-oriented and ambitious problem solver with keen interest in Web design, E-commerce, UI/UX and Mobile app development looking to join a team of like-minded developers. Uses great communication skills to develop strong relationships with customers and deliver expectations on time. A team player with high reliability, dependability and good initiatives. Takes advantage of past experiences to create innovative and logical solutions to complicated web-based issues.

## AREAS OF EXPERTISE

- Web Developer
- UI/UX

## LANGUAGES:

- English (fluent)
- Yoruba (fluent)

## Education:

- Eastern Mediterranean University, Bachelors in Information Technology 2017 - 2022
- Starfield High School, High School Certificate 2011 - 2017

## Technical Skills

- Web design and development (React, React Native, JavaScript, Python)
- Multimedia (Photoshop, ZBrush, Adobe Animate, Adobe After Effects)
- Search Engine Marketing (SEM) & Search Engine Optimization (SEO)
- MySQL, MongoDB

## PERSONAL SKILLS

- Comfortable working cross-functionally.
- Approaching issues from multiple perspectives.
- Coming up with solutions rather than problems.
- Always positive, regardless of the challenge ahead.
- Can adapt well to circumstances.

## PROJECTS (visit <https://ogooluwanick-portfolio.netlify.app>)

- Inventools - A React(MERN) based Inventory Management System Website.
- FindMyPort! - A modern UI/UX Personal Portfolio
